

VFS Luncheon:

11:30 AM on February 21, 2023 at

“County Grill & Smokehouse” in Yorktown

1215 George Washington Memorial Hwy Suite A, Yorktown, VA 23693

**Mr. Kenneth Durbin, US Army
DEVCOM AvMC Engines S&T
SME , will give a presentation
entitled, “T408 on NCH-47D
Demonstration Overview.”**

The Army, Boeing, and General Electric Aviation partnered to integrate and flight test two T408-GE-400/A1 turboshaft engines on a specially modified NCH-47D aircraft. This effort demonstrated the integration benefits and challenges associated with retrofitting a legacy airframe with new advanced technology, larger form factor, counter-rotating engines.

Free lunch for all active VFS members!

Please **RSVP** before February 17, 2023 using the following link:
